

The Loyal Companions

Once upon a time, in a small village, there lived two best friends — a dog named Max and a donkey named Sam. They lived on a farm and worked together every day.

Max kept the farm safe by barking at strangers. Sam helped the farmer by carrying heavy loads. Even though they were very different, they cared for each other like brothers.

One day, a big storm came. The wind blew hard, and the rain fell heavily. A tree fell and blocked the farmer's door. The farmer was stuck inside and couldn't come out.

Max barked loudly for help. Sam pulled with all his strength to move the tree. But they couldn't do it alone. So Max ran to the nearby houses and barked until the neighbors followed him. They all came to help.

Together, they moved the tree and helped the farmer get out. The farmer was so happy and said, "Max and Sam, you are my loyal companions. Thank you!"

From that day, everyone in the village respected Max and Sam for their brave and kind hearts.
